UNIVERSAL PERSONNEL SECURITY TRAINING & ALLIED SERVICES

From Editor's Desk :

Nationalistic fervour was the flavour of the quarter gone by and is welcome till it lasts. Tragedy is it doesn't last a couple of days beyond the occasion that gave rise to it in the instant case the Republic Day celebrations. How we wish it becomes a lasting emotion. Anyways our guards provided required skill sets for flag hoisting in perfect manner at all client locations.

Well General elections is the flavour of the current quarter and this has implications for us security professionals. Preoccupation of the police with election related work provides opportunity for antisocial to indulge in nefarious activities. We therefore need to be extra vigilant for safeguarding client interests. This and such other aspects are taken care of in the rigorous training regime being enforced by Universal. Results are there for all to see. Appreciation letters received by our guards are a shining testament to the onsite and classroom training received by our guards.

Heat waves are repeatedly predicted by the Met department. So it is necessary for us all to save ourselves from the unrelenting sun. Hence the e-tips to survive the hot weather. We wish our esteemed clients an enjoyable mango and election season. Leave the security worries to us!!

75TH REPUBLIC DAY CELEBRATIONS

India commemorated its 75th Republic Day on 26th January 2024. On this day all the Security personnel deployed by Universal took part in flag hoisting, ceremonial parade and various other Republic Day activities at clients sites.

On this occasion, team Universal expresses its heartfelt gratitude to the makers of our constitution and freedom fighters who sacrificed their lives for the nation. Following are some glimpses of the 75th Republic Day celebrations...

The importance of training goes far beyond checking off a to-do task for a security personnel employed. A high-quality comprehensive training program provides guards a greater understanding of organisation's Security processes, procedures and goals. It also enables them with the knowledge and skills they need to be effective in their roles. At Universal, we have a high quality PSARA-prescribed syllabi for different job roles, which focus on making a guard understand and perform towards achieving predetermined goals and objectives as per the client's requirements.

In the last quarter totally 93 training sessions were conducted including 10 online training sessions by the training team for Guards, Supervisors, Security Officers, Cash Van Crew and Operations Staff. Following are some of the pics of the same.....
